

SPECIALTY MADE SIMPLE

Since 1975, NAS has been at the forefront of innovative specialty insurance products, helping companies mitigate risks in the workplace and grow with confidence and peace of mind. For over 20 years, NAS has been providing our partners with unique reinsurance products and services.

As an independent specialty underwriter, we develop and market some of the most comprehensive solutions for emerging risks enabling carriers to easily enhance their current offerings. These programs include:

- ▲ Cyber Liability
- ▲ EPLI (Employment Practices Liability Insurance)
- ▲ MEDEFENSE[®] Plus
(healthcare regulatory & billing exposures)
- ▲ Reputation Protection
- ▲ Miscellaneous Executive Expense
- ▲ ADA Compliance Plus
(Americans with Disabilities Act)

NAS' reinsurance solutions allow carriers to introduce new products quickly while avoiding R&D costs, overhead and the assumption of risk.

NAS' solutions provide agents with digital tools to generate quotes and applications quickly and efficiently, as well as, ongoing educational webinars, and marketing material to distribute to existing and prospective clients.

For policyholders, we offer leading-edge coverage, expert claims handling, and risk management tools.

NAS works with over 80 carrier partners with a commitment to excellent service and support.

With a passion for service and a whatever-it-takes attitude, we aren't your usual insurance people.
