SPECIALTY MADE SIMPLE

We Are NAS Insurance

As an independent specialty insurance underwriter, NAS develops innovative solutions for a broad spectrum of industries and distributes our products as insurance and reinsurance.

Since 1975, NAS has been at the forefront of innovative specialty insurance products, helping companies mitigate risks in the workplace and grow with confidence and peace of mind. For over 20 years, NAS has been providing our partners with unique reinsurance products and services.

NAS Specialty Reinsurance Solutions

NAS provides essential products like Cyber Liability and EPLI with a complete array of support services so carriers can differentiate and focus on their policyholders' needs. We help our partners get to market quickly with new offerings, avoiding R&D costs, additional overhead and the assumption of risk.

With a passion for service and a whatever-it-takes attitude, we aren't your usual insurance people.

Cyber Liability for a broad range of data network, privacy and digital media-related exposures.

EPLI (Employment Practices Liability) provides protection for the business entity and/or its directors, officers and employees for a broad range of allegations, administrative proceedings and lawsuits.

MEDEFENSE® Plus (Regulatory & Billing Exposures) is NAS' gold standard for reinsurance of medical professional liability insurers and other carriers for regulatory fines & penalties and billing exposures (Medicare/Medicaid).

Reputation Protection provides for professional crisis prevention consultation and crisis management expenses in the event a harmful event or allegation surfaces.

Miscellaneous Executive Expense for small to medium-sized business owners and executives, this policy provides expense coverage for a range of risks from business travel to personal tax audit.

ADA Compliance Plus (Americans with Disabilities Act) for business/property owners and managers. This unique coverage provides reimbursement for legal expenses and approved loss incurred in lawsuits or administrative agency charges alleging discrimination and/or ADA non-compliance.

NAS Online

Our state-of-the-art online platform features tools that streamline the process and allow agents to quote and issue policies quickly and easily.

NAS Online is designed to make the producer's job easier and more profitable. Video tutorials educate agents quickly and many of our partners use the online system to quote and issue higher limit options for their policyholders.
